ANTIRRHINUM • Snapdragons SPECIAL FORCING VARIETIES

New White Snapdragon "Peace"

1944 introduction. (Ball.) A gem among white Snapdragons. The acme of perfection has been attained in this splendid new white. Its stately, graceful spikes with large closely set florets of the purest white imaginable are borne on long, wiry stems. The unusually rich dark green foliage contrasts vividly with the snowy whiteness of its flowers. To complete the picture it is fairly early flowering and entirely free of objectionable grassy side growth. We are accepting orders for early July delivery. Price original trade packet, \$1.50 each.
